At their meeting on Monday, May 5th, the Explorers 4H club presented a check for \$147.75 to Susan Kemenyas for the Humane Society of Morgan County. The club raised funds by having a candle sale in February. They elected to donate the funds the total proceeds of the sale, which were \$295.50, to the Humane Society of Morgan County and Morgan County Animal Control. Mrs. Kemenyas came to the meeting and discussed with the members of the club what the Humane Society does for animals, opportunities for volunteer work, and other ways the community helps the animals through finding homes, caring for their medical needs, rescuing animals in need and educating the community on pet ownership and care. The money donated by the Explorers 4H Club will be used to make an educational display in the new Visitor Center. Mrs. Kemenyas was very pleased with the work the club did to make the donation for their animal friends.
